

CSRHub's Consensus ESG Ratings Platform

Big Data Technology Creates
Corporate and Investment ESG Solutions

CSRHub makes sense of an increasingly complex ESG landscape with more raters and less coherence. CSRHub offers a comprehensive global set of **Consensus** ESG (Environmental, Social, and Governance) ratings and information. CSRHub's business intelligence system measures the ESG impact that drives corporate and investor sustainability decisions.

With 14 years of data history, CSRHub covers 50,000 public and private companies, and provides ESG performance scores on 30,000 companies from 134 industries in 154 countries.

ESG Solutions

CSRHub's subscription service provides ESG data to corporate managers, financial analysts, professional advisors, academic researchers, NGOs, and API partners.

Client Use Cases
