4.1. Have you published information about your company's response to climate change and GHG emissions performance for this reporting year in other places than in your CDP response?	5.1. Have you identified any climate change risks (current or future) that have potential to generate a substantive change in your business operations, revenue or expenditure?	6.1. Have you identified any climate change opportunities (current or future) that have the potential to generate a substantive change in your business operations, revenue or expenditure? Tick all that apply	6.1a. Identified climate change opportunities that are driven by changes in regulation?	7.2. Please give the name of the standard, protocol or methodology you have used to collect activity data and calculate Scope 1 and Scope 2 emissions	8.6. Please indicate the verification/assurance status that applies to your reported Scope 1 emissions	8.6a. Please indicate the proportion of your Scope 1 emissions that are verified/assured	8.7. Please indicate the verification/assurance status that applies to your reported Scope 2 emissions	8.7a. Please indicate the proportion of your Scope 2 emissions that are verified/assured	8.9. Are carbon dioxide emissions from biologically sequestered carbon relevant to your organization?	1.1. Where is the highest level of direct responsibility for climate change within your company?	1.2. Do you provide incentives for the management of climate change issues, including the attainment of targets?	14.1. Do you participate in any emission trading schemes?	2.2. Is climate change integrated into your business strategy?	2.3. Do you engage with policy makers to encourage further action on mitigation and/or adaptation?	2.3d. Do you publicly disclose a list of all the research organizations that you fund?	3.1. Did you have an emissions reduction target that was active (ongoing or reached completion) in the reporting year?	4.1. Have you published information about your company's response to climate change and GHG emissions performance for this reporting year in other places than in your CDP response?
